السلام عليكم ورحمة الله وبركاته

Follow up to previous announcements: (announcement two).

We humbly urge those on whom Juma is not obligatory to pray Zuhar at home such as sisters and minors.

If anyone doesn't pray Juma due to the current situation it is acceptable and is not an act of sin.

Our Juma congregation will be in two venues as we have two separate buildings 56 & 58.

Please try to make wudhu at home to ease the situation. Please follow the directives of the guides.

Further announcements and changes may take place.

You will be notified in sha Allah.
